

Information on the release timing of the iOS version of “BOKU & DRAGONS”

IGNIS LTD.

Tokyo, Japan –February 26, 2015– IGNIS LTD. herein announces that StudioKing, Inc., 100% owned by IGNIS LTD., has decided to postpone the release of the iOS version of “BOKU & DRAGONS”, the new type RPG game, to late March.

We released “BOKU & DRAGONS” (Android Version) on Feb. 20th, which attracted 120 thousand pre-registrations starting from December 26th last year. Regarding the iOS version, we were initially prepared to release it by the end of February, but we would like to change it to late March. We wish to apologize to those who were looking forward to our release of iOS the version, and as we are steadily preparing for the release, and we do appreciate your patience in waiting for a couple more weeks.

About IGNIS LTD.

IGNIS is a leading smartphone application company that is involved in planning, development, operation and sales of products. IGNIS’s company philosophy is “Until we impact the world, we won’t be satisfied.” Since its establishment in May 2010, IGNIS has launched a wide range of smartphone applications, including utility tools, entertainment, games and more, which have resulted in an accumulated total of 70 million downloads as of November 2014. IGNIS has succeeded to produce many smash hit applications which have exceeded 1 million downloads to date, precisely meeting a huge variety of needs for smartphone users. Through challenging and developing new genre, IGNIS aims to create internet services establishing “new standards” over and over again.
